

E-mail Configuration for **Iphone/Ipad**

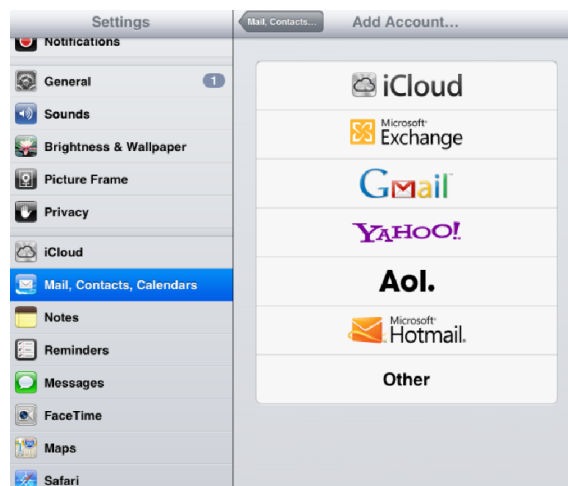

When you are configuring an email account, Linkeo's customer service can help you to recover your old emails stocked at IMAP. This page will show you the basic settings you need to send and receive emails. The Linkeo Business mail offers you a stock email of 3Go and a limit at sending and receiving emails of 20Mo. If you require some extra email stock, please feel free to contact us at 1300 546 536.

This tutorial shows you how to set up your Iphone, Ipad and Ipod to work with your e-mail account. First, open the Settings.

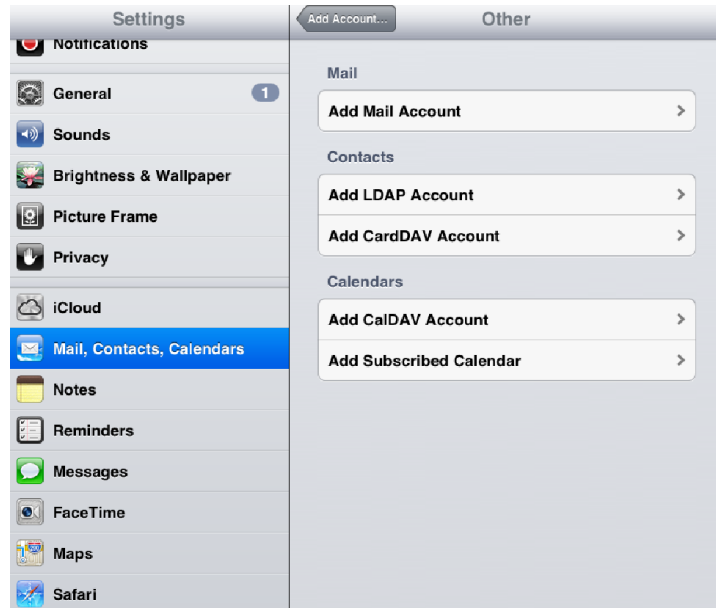

1. Go to Mail, Contacts, Calendars in Settings

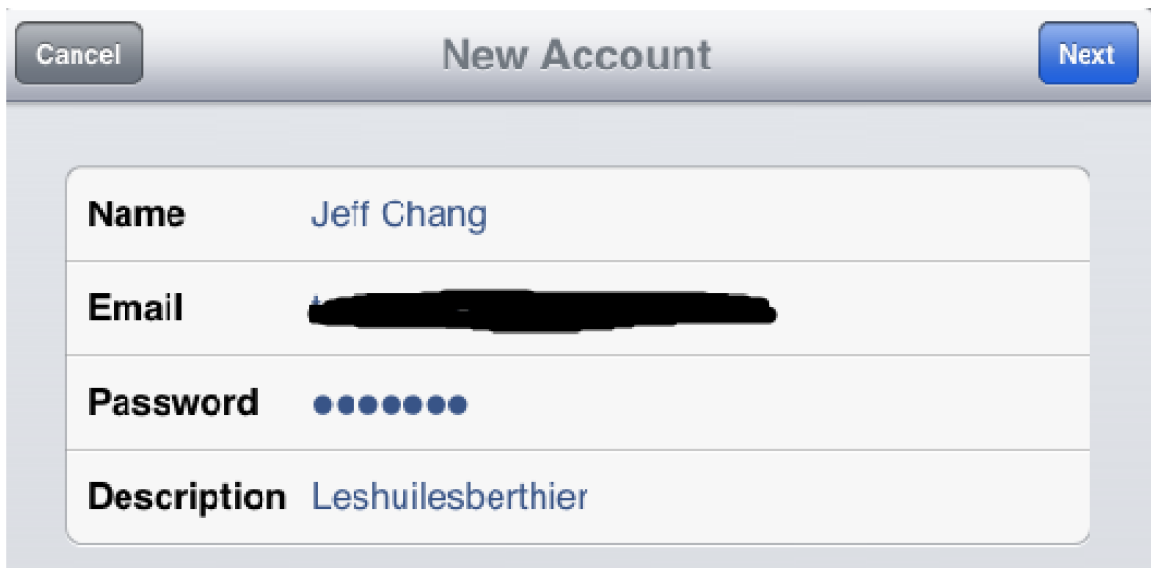

2. Go to Add Account..., and choose Other

3. Go to Add Mail Account

4. Enter your name, e-mail address, and password. Go to Next

5. Choose IMAP
